Von Andrew William : TEFL: The Complete Guide to Teaching English Abroad (2017) (ESL Teaching Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised TEFL: The Complete Guide to Teaching English Abroad (2017) (ESL Teaching Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Definitely worth a read!Von KundeThis is a fantastic book for anyone who is planning to teach English as a foreign language. It's very well laid out and contains a vast amount of relevant information in a well-organised and step-by-step format. It has some good links and seems well researched. It also has some good ideas that I can incorporate into the classroom, and many useful tips on what it's like to live and teach in a different country. I found this book easy to read and will 100% keep it as a reference point.

KurzbeschreibungThis is an essential resource for both aspiring, and present teachers of English as a second language (ESL). The book covers everything you need to know about teaching English as a foreign language (TEFL), and is brought to you by an experienced English teacher.Read on your PC, MAC, smart phone, tablet, Kindle device or buy it on paperback.The information provided below is a preview of what you will learn from the book:What to expect from and why you should teach English abroadHow to become an ESL teacherChoosing the right TEFL/TESOL certification courseThe job search and application processesCV editing and Skype interview preparationThe best places to teach overseasFactors to consider and research before accepting a positionKey qualities needed to become a successful ESL teacherClassroom tips and student managementHow to get the most out of the expat lifestyleWhat materials you need to tack with you from your homeAnd much, much more!If you're dreaming of making a career change and want to live and work abroad; then this book contains all of the information you will ever need on how to secure a perfect job. Alternatively, if you're already in the TEFL industry; there are plenty of useful and well researched insights in this book that will add to your teaching arsenal.KurzbeschreibungThis is an essential resource for both aspiring, and present teachers of English as a second language (ESL).
