**Von Cynthia Voigt : Tell Me If the Lovers Are Losers (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tell Me If the Lovers Are Losers (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I loved the book!!!! It is a great book for teenage girls!!!Von Ein KundeI really liked this book. It is a good book for teenage girls. I think it is good because these girls are so different but yet have some of they same problems. Ann is predictable most of the times but on a few occasions she gets a little wild and brash. She learns that friends come in many sizes shapes and actions but all make great friends. Niki is very vulgar, but makes her points well even though she is so

brash and mean, she loves her sports and would not give the up for a thing in the world. She loses something she can never get back in the book. Hildy is the only girl in her family goes to church all the time and is a great leader but there is one thing that she can never get off her mind the fact that she can only go for one year and then has to go back home to the farm and marry a widower with kids. Don't let the first few pages dicorage you from reading the rest of the book because they are boring. Enjoy the book, because thier are many lessons to be learned about yourself and others!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. I was majorly disappointedVon Ein KundeI'm sorry to contradict the other reviewer, but I think this book was poorly edited and had a strange storyline. I must've found about 30 typos. Unless you are interested in volleyball, you will be quite bored throughout half the book. From the summary on back, it looks as if it has a little volleyball in it, but the game takes up much of the book. Things come out of nowhere, and for stupid reasons. I read this book vacationing at the beach, and I left it there. I recommend it only for deep thinkers who also enjoy hearing every detail of volleyball games.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great readVon SMNAlthough the beginning was slow, this book was captivating once I got into it. It has so many metaphors for life lessons that it keeps you busy thinking. It did have many typos which I feel could have been prevented. However I do not agree with the other reader who said it's all describing volleyball games, so if you don't like the game, it's not a good book. I'm not a big volleyball person, but I thought the description of their games was great. Furthermore, if all you see in this book is three girls who play volleyball, you didn't read it correctly.

KurzbeschreibungLife had always been predictable for Annuntil she met her college roommates, Niki and Hildy. Niki is always in motion, brash, often vulgar, with a philosophy of win at any cost. And Hildys aura of serene wisdom cloaks a most unusual way of looking at things. The trio becomes inseparableuntil something happens that changes their lives forever.KurzbeschreibungLife had always been predictable for Annuntil she met her college roommates, Niki and Hildy. Niki is always in motion, brash, often vulgar, with a philosophy of win at any cost. And Hildys aura of serene wisdom cloaks a most unusual way of looking at things. The trio becomes inseparableuntil something happens that changes their lives forever.Synopsis In 1961 at a college for academically gifted women, three roommates who differ substantially from each other are brought together by a common interest in volleyball.
