**Von Joni Hilton : Ten-Cow Wives' Club** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ten-Cow Wives' Club:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice perspective, wonderful insightVon MuggeliA clean book that has values without being on a soap box. Very enjoyable. Believable characters that show me by example what to do or not to do. I loved the advice on marriage, all it takes is a

little more AA, admire and adore (your spouse).

KurzbeschreibungJoin the Ten Cow Wives Club for luncha monthly ritual where five outwardly average yet inwardly eclectic women recount the fascinating events of their lives. Heather, Crystal, Ships, and Tanya have been best friends since childhood. Now, as the trials of adult life pull at the cords of their hearts, they find comfort in each otherand plenty of sound advice from their new-found older ally, Maxine. From the trivial to the profound, this groups absorbing stories will carry you on a fun, and sometimes poignant ride through the awkward teen years, into the scary but thrilling world of college, and headlong into the delights and struggles of married life. With her trademark warmth and humor, Joni Hilton weaves a funny, fiercely perceptive story of romance, friendship, and forgivenessand shows we are each a little stronger with the support of a few close friends.KurzbeschreibungJoin the Ten Cow Wives Club for luncha monthly ritual where five outwardly average yet inwardly eclectic women recount the fascinating events of their lives.
