GOD'S RX FOR WORKPLACE TRIALSVon Ein KundeTODAY GOD IS FIRST is my first of the morning vitamin to set my frame of mind for the challenges faced in the marketplace daily.Os Hillman's capability to present the everyday personal trials we all face in the public arena in perspective of how God might handle them is truly unique. TGIF is the WWJD answer in book format.The examples and situations he presents are so real and memorable that you will likely

find yourself relating them to others. Or, better yet, buying copies to share because EVERYONE can relate and comfortably absorb the experiences he shares in this book. TGIF really relates so much to everyday life, you will find yourself looking repeatedly for the nourishment this book gives for helping you put on "the full armour of God" to tackle what lies ahead of each and every day. Von jrook@ministrydg.com I have read the Marketplace Meditations electronic version from Os Hillman for several years. It is very normal that I beseech the Lord for some clarification or insight in my prayer time at 6:00am and arrive at the office at 8:00am to find Os has chosen scripture and a meditation that "fits". Os' ability to see current marketplace applicability to stories that are several thousand years old is a gift to all of us who are serving The Lord in our work. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Relivent to todays workplace Von John BI really enjoy this book. The first devotional that I have seen that is focused on the Workplace. The daily devotionals are a great way to start the day, especially if you don't have much time. They get to the point and always challenge me to live a more Godly life.

Kurzbeschreibung In 1997, Atlanta businessman Os Hillman began writing a daily e-mail devotional featuring 4-minute meditations on faith and work life. For men and women in the workplace, this was just what they needed: practical help in applying their faith to their work life, encouragement to live out their faith, empowerment to be more effective in their jobs, support to become powerful witnesses at work, and examples of others who experienced the presence of God at work. It has since become one of the fastest growing e-mail devotions on line. Now Hillman has written his second book of devotions. TGIF includes 365 all-new daily meditations, plus a bonus topical index to find devotions that relate to specific topics such as motives, handling disappointments, adversity, integrity, finances, decision-making, and much more. Whether for individual quiet times, Bible study groups or workplace groups, these daily devotions will help men and women fulfill God's call on their lives in the workplace.

Autorenkommentar TGIF Today God Is First helps you integrate faith at work. In 1997 I began writing daily internet email meditations with a scripture verse and personal application to the workplace. These email subscriptions began to be carried by many websites and today it is subscribed to by people all over the world. Subscribers tell me these meditations hit them where are. The situations and applications help them apply their Biblical faith in their work life. The devotionals focus on helping men and women develop trust and reliance on Christ in the workplace.
