**Von Sam Lightner Jr. : Thailand: A Climbing Guide (Climbing Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Thailand: A Climbing Guide (Climbing Guides):

KundenrezensionenHilfreichste Kundenrezensionen6 von 6 Kunden fanden die folgende Rezension hilfreich. Nice but oldVon Thomas EngelsWe bought the climbing guide (October 2010) just before we left for Thailand (Krabi, Railay (= Rai Leh)).Unfortunately we found out, that the Guidebook is from 2005 and a lot of things changed.Plenty of new routes and a lot of rebolting work has been done.We suggest to buy the brandnew climbing guide directly in Railay.

There are many stores to buy (actually 800 Baht = ca 20 Euro). So you are secure, to have the newest update!

Kurzbeschreibung 350 graded sport routes. Post tsunami information. Information on Thai history, culture, geology and language phrases
