Von William For all people who like to grow their own vegetables and cook them when they are fully grown, this diary is ideal! Full of charts for the growing seasons and some also some very tasty recipes. I fully recommend it.

Kurzbeschreibung Her mum wanted her to be a nurse so that is what Julie did. But in her heart she had always wanted to be an actress and soon she was on stage at the local theatre in Liverpool. Her career snowballed with highlights that include *Educating Rita*, *Billy Elliot*, *Harry Potter*, *Acorn Antiques*, *Dinner Ladies* and *Mamma Mia!* She has been nominated for an Oscar, been awarded a BAFTA and a Golden Globe, plus been honoured with both an OBE and a CBE. This is the heart-warming and funny story of that journey.
Pressestimmen 'I was enthralled by her memoirs... a celebrity memoir which is actually worth reading as a work of literature' -- AN Wilson *READER'S DIGEST* 'THAT'S ANOTHER STORY is funny, evocative, reasonably revealing and underpinned throughout by an appealing sense of humanity.' -- John Preston *THE SUNDAY TELEGRAPH* 'Walters's book - also well written - has moments of Alan Bennett warmth' -- Roland White *THE SUNDAY TIMES* 'This is a humorous and, at times, moving read from this much-loved actress.' *WOMAN AND HOME* 'The Walters who emerges from *THAT'S ANOTHER STORY* is a mischievous Brummie whose childhood seems to belong to an earlier century, with its horse-drawn milkcart.' -- Claire Armitstead *THE GUARDIAN*
Werbetext The warm, moving and utterly entertaining autobiography by the nation's best-loved actress.
