Ein perfektes Taschenbuch fr gro und KleinVon KundeSie hat das Buch sehr gut geschrieben, mit sehr viel Witz und Humor und die verwendete Sprache ist einfach zu verstehen. Es beschreibt auch die alltglichen Geschehnisse sehr

locker und man identifiziert sich auch mit der Frau im Buch. Kann ich nur weiter empfehlen sehr Gut!!!

Kurzbeschreibung "That year" is the first book written by Sevda Khatamian, which is a story of her new apartment and a bunch of misfortunes in life. She jokes about stories in her past and believes that time changes the feelings. All the incidents happen in one year and it starts with moving in her new apartment. Her family was already living in Tehran when she came around. Although her family was in touch with relatives and friends, but it was mostly the four of them hanging out together. Her father used to run his own business and her mother worked in a hospital. Later she became a lawyer. Her brother moved to Turkey right after he graduated from high school. Sevda took the same path and moved out when she was 18. It wasn't easy for her to handle a life on her own. She started to work in different jobs to make her plans work. It was then that she realized that no matter how hard she tried, none of the plans would work in a way she expected. That it was the first thing to know about life. She explains a lot more details about herself and the stuff around her in her first book "That Year". Currently, she is living in Istanbul. She is working on her second book "Morning People".
