Von Oxford University Press : The 1928 Book of Common Prayer before purchasing it in order to gage whether or not it would be worth my time, and all praised The 1928 Book of Common Prayer:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A strong tradition...Von FrKurt MessickFor many Episcopalians (the American version of official Anglicans), the 1928 version of the Book of Common Prayer is still the most prized worship and liturgical form around. When the 'new' Book of Common Prayer was adopted in 1979 (merely the latest in a lengthening line of Prayer Book revision done by the church in America in the past three hundred years), whole parishes balked (and walked) because of the changes; faithful within the church looked for various means of preserving their beloved version of the BCP - my own church

had a '1928 Service' every Wednesday afternoon. The book is not arranged in as user-friendly a manner as the more recent revision (which itself leaves something to be desired in various ways), but it isn't the ordering that causes such devotion to this text. Despite the fact that much of the 'Shakespearean' language of this liturgy is retained in the Rite I form in the newer BCP, there are key differences that make this book the standard bearer to many conservative and traditional Episcopalians. Like any BCP version, it has the principle services of the church - Communion, Morning Prayer, Evening Prayer, Marriage rite, Funeral rite, the Psalter, the Calendar. It also has rites not included in updates - the churching of women, for example; neither will one find inclusive language in the orders of ordination here, for women were not admitted to the three-fold ordained ranks of bishop, priest and deacon while this book was primary. It also contains the collects, epistles and gospel readings for Sundays and major feast days, omitted as well from the later BCP. The catechism is vastly changed from this to the 1979 revision - it is worth comparing the two to see how changes have taken place. Similarly, the Articles of Religion which conclude the 1928 BCP are placed under the ambiguous heading of 'Historical Documents' in the later BCP. Not having been raised on either the 1928 or 1979 Book of Common Prayer, I feel somewhat objective about seeing the merits and shortcomings of each version; however, some who see value or shortcomings in either one are reflecting a more general feeling about the church in general - rare is the person who opposes women's ordination who supports the 1979 BCP over the 1928. I have both, side by side on my shelf, together with the Australian Prayer Book, the New Zealand Prayer book, the 1662 Book of Common Prayer, and the 1559 Book of Common Prayer, which shows a grand tradition of diversity and continuity in the Anglican liturgy. The 1928 Book of Common Prayer has a significant place as a strong link between past and present, and is a must-have for students of, and those who generally love, the liturgy. 0 von 0 Kunden fanden die folgende Rezension hilfreich. This is the 1928 edition Von David Bennett For all who are interested, this is a copy of the 1928 Episcopal prayer book. While I don't want to become a part of the prayer book debate here, many prefer it to the 1979 edition. The 1928 edition's language is more traditional. The attitude is more penitential, and I believe some church holidays are given more pages (though the list of holidays only has the major feasts). This copy is a nice, burgundy, hardcover edition of the 1928 edition by Oxford University Press. There are presentation, confirmation, and baptism pages in the front of the Bible, and 2 string bookmarks. The text is genuine 1928 edition Book of Common Prayer. I have checked, and this is probably the most affordable 1928 edition on the market today.

Kurzbeschreibung The 1928 Book of Common Prayer is a treasured resource for traditional Anglicans and others who appreciate the majesty of King James-style language. This classic edition features a Presentation section containing certificates for the rites of Baptism, Confirmation, and Marriage. The elegant burgundy hardcover binding is embossed with a simple gold cross, making it an ideal choice for both personal study and gift-giving. The 1928 Book of Common Prayer combines Oxford's reputation for quality construction and scholarship with a modest price - a beautiful prayer book and an excellent value.
