Von Thornton W. (Thornton Waldo), 1874-1965 Burgess : The Adventures of Chatterer the Red Squirrel
before purchasing it in order to gage whether or not it would be worth my time, and all praised The Adventures of Chatterer the Red Squirrel:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great animal adventure with life lessonsVon L YoungmanChatterer the Red Squirrel is a precious animal adventure story that young children will love. While reading it to my 7 year old, my 11 and 13 year olds would inevitably wander into

the room. Chatterer is a mischievous little red squirrel. If he's not picking on Shadow the Weasel and learning the hard way what an unruly tongue can do, he's in Farmer Brown's Corn CRib stealing corn. His mischievousness finally catches up with him and because of his carelessness Farmer Brown's boy traps him. He then becomes a prisoner, although a quite comfortable one. He soon realizes that freedom is much more important than anything else. Throughout the story he learns many life lessons, although they seem small, which we as humans should take to heart. I would highly recommend this book.
